INCORPORATING THE LATEST TECHNOLOGIES

Fiber optic connectivity offers high speed Internet access throughout JLK Tower, with the ability to deploy in-building 5G services when available. Our flexible connectivity also allows for tenants’ specific mechanical, electrical, and plumbing requirements.

BREATHING EASY WITH SUPERIOR AIR QUALITY

JLK Tower’s PM 2.5 filtration systems are connected to all our communal areas and offices. We hold maintenance to a high standard, conducting regular inspection of air-ducts and the air filtration system. Additionally, we provide:

- Air pollution prevention at building entrances
- Building pressurization to prevent air pollutants
- A Dedicated Outdoor Air System (DOAS) for best air quality and thermal comfort
- Pesticide and herbicide prevention

SUPPORTING SUSTAINABILITY

Our sustainability credentials include:

- LEED Gold certification *
- WELL Gold certification *
- Waste management facilities that support recycling
- Laminated and insulated glass with low-e coating

* APPLICATION UNDER PROCESS

PRIORITIZING CONVENIENCE

Convenience is a key element in a productive and motivating workplace. Four floors within JLK Tower provide both lift and escalator access to community spaces with extra seating and workspaces for both tenants and shoppers. Our lifestyle and entertainment ambience is ideal for convenience stores, dining, coffeeshops, and health and fitness facilities catering to office workers and the surrounding community. JLK Tower also features:

- Extensive residential accommodations and hotels within a 500-meter radius
- Close expressway access
- Dedicated motorbike parking, making deliveries easy and convenient
- Direct covered walkway access to Nana BTS station

ATTENDING TO SECURITY

JLK Tower implements security systems so that every tenant and visitor is assured that their safety and wellbeing is well guarded. JLK Tower’s security features include:

- Ultramodern office security systems
- CCTV monitoring
- 24-hour security guards
- Car park and visitor management systems

JLK TOWER ELEVATES THE WORK AND LIFESTYLE EXPERIENCE TO A UNIQUE LEVEL WHERE EVERY DETAIL IS A MASTERPIECE OF DESIGN
